

Room creation

To create a new Room click the "+" button.

Set an abbreviation, a name, and, if needed, a description.

A screenshot of the 'New room' form in the Stanze application. The form is titled 'New room' and has a green checkmark and a red X icon in the top right corner. The form is divided into two columns. The left column contains labels for various fields, and the right column contains the corresponding input fields or values. The fields are: 'Life status' (Creating), 'Sign' (empty text box), 'Name' (empty text box), 'Description' (empty text box), 'Min total duration (sec)' (checkbox, 3), 'Max total duration (sec)' (checkbox, 10), 'Min occupancy request %' (0), 'Max occupancy request %' (100), and 'Use targets (for advanced users)' (checkbox).

Room's details	
Life status	Creating
Sign	<input type="text"/>
Name	<input type="text"/>
Description	<input type="text"/>
Min total duration (sec)	<input type="checkbox"/> 3
Max total duration (sec)	<input type="checkbox"/> 10
Min occupancy request %	0
Max occupancy request %	100
Use targets (for advanced users)	<input type="checkbox"/>

It is possible to set limits for the Room, such as:

- minimum and maximum duration of its playlist
- minimum and maximum required percentage of playback time
